

7th Grade Math

I. Grading Policy

Chapter Tests	40%
Quizzes	20%
Homework	10%
Portfolio/Projects	10%
Classwork/Participation	5%
Exam	15%

II. Required Materials

Bring the following materials to class every day:

- red binder with index dividers
- graph paper
- notebook paper for notes and homework
- pencil pouch with sharpened pencils and a red pen for corrections ONLY
- ADVANCED CLASSES – TI-84 calculator
- a sharp mind

III. Homework Expectations

- You are expected to complete all homework
- Homework is usually checked for completion, but may be graded for correctness at any time
- If you do miss a homework assignment (meaning it is not present in class, only partially complete, or does not include your work) you will be given a zero for that assignment. You may improve that grade to a 60% if you complete the homework, check it, and staple it to the unit test before turning it in. You may not receive credit for more than 2 late homework assignments in each chapter.

IV. Classroom Expectations

- Respect others and their property
- No behavior that takes away from learning will be permitted, including excessive heckling, talking, or arguing. Such behavior will result in disciplinary action and/or a change in conduct grades.
